## From the Pastor's Heart

Greetings Faith Family!

The year continues to pass like a flash, and our Lord continues to bless and keep us every step of the way. As we enter the hot season, we will begin to watch the pleasant temperatures of the two days of Spring that we've had fade away as the heat of the pressure cooker we call the Mid-South cranks up.

In the same way that the Lord will turn up the temperature in nature over the next two months, will you join me in praying that the Lord will turn up the temperature in our hearts and lives for Him? Would you commit over the next two months to setting aside a daily time to pray for our church if you don't do that already? It may be 5 minutes, or it could be an hour. The issue here is not simply the amount of time that you cry out to God for Faith. The aim is to focus our hearts and minds on the discipline of prayer and leveraging the power of our collective body to lean in to the Lord and press in to prayer.

We have more needs than we can ever fully know, and the Lord God is more able to provide than we could ever imagine. On our own, we do not have the power. We do not have the means to do what God has called us to do. We don't have sufficient plans, and we do not have people who are well-equipped enough to do what God has called us to do without God Himself. So, let us link our hearts together and pray for one another. Every day for the next two months, let us pray deliberately, specifically, and passionately for one another here at Faith Baptist Church. James told his audience to "pray for one another" in *James 5:16*.

The spiritual discipline of prayer helps us be more rooted in the Lord and more grounded in His Word. Our commitment to prayer is essential to our health as a church. Prayer is non-negotiable. So, let us cry out to the Lord for one another as a church family and take deliberate steps toward maturity in Christ as we continue "Growing in Faith at Faith!"

In Christ,  
Pastor Lee
