

## **GLOBAL PARTNERSHIPS APPLICATION**

Thank you for your desire to partner with Faith Baptist Church. We are always looking to partner together to expand the Lord's Kingdom!

There are three specific area's we partner with likeminded believers: those area's include prayer, on site partnership and financial partnership.

As you know, prayer is vital in any missionary work! We have had a long tradition of praying for our mission partners whether local, national or international. *Second*, we partner with likeminded believers through strategic trips. Do you have a need for a mission team? Do you have a need for evangelism, discipleship or church planting training? We could possibly help. Additionally, we have sent work teams all over the world as part of our mission partners greater vision. Do you have a need for mission teams? We could possibly help. *Finally*, we have also partnered financially with many of our global partners. Financial partnerships are often in response to a specific need or project. Typically, financial partnerships are on a 3 year basis but can be longer or shorter. Next, Faith loves to partner with individuals who are focused and working in the Core Missionary Task which includes evangelism, discipleship, church planting and Leadership Development.
