

# HARVEST DAY OUTLINE

April 26th, 2020

As you are fully aware we are living in a different world today! COVID19 has changed the way we interact with one another for this season. As a result, we have adjusted our Harvest Day to reflect our current environment. Below, you will see several opportunities for you and your family to be *intentional* with your time, talents and resources. We have given you a calendar of mission projects to be involved in this coming week. Use these items as a suggestion but *please feel free to make this your own!*

On Sunday afternoon April 26th, we'd like to invite you to a Zoom call at 4pm where we will pray together, go over the schedule and introduce our mission projects to you. In order to join the Zoom call you will need to click the link provided below.

## **Sunday, April 26th**

**\*\*\*JOIN IN OUR HARVEST DAY ZOOM CALL AT 4pm -**

<https://zoom.us/j/92264836665> <-Use address to join zoom call.

We will launch our Harvest Day by all joining together on a conference call. We will give additional details on the call that relates to our harvest time.

**Prayer Walking-** Today, consider lacing up those tennis shoes and going for a walk. During your time we encourage you to be intentional in praying for the homes and people you pass.

**Online Evangelism Coaching** - We are giving you *heads up* to mark your calendars. We'd like to invite you to join us for a brief training time online. Believe it or not, you can easily share the gospel online. Our team will teach you an easy way to share the good news using online technology.

*\*\*\*This training will be Tuesday Night - 6-7:30pm*

**Pray - [www.blesseveryhome.com](http://www.blesseveryhome.com)**

If you desire to be intentional in prayer for those who live in your area Bless Every Home is a fantastic tool. Visit their website to learn more.

## **Monday, April 27th**

**ENCOURAGEMENT** - Write encouraging cards (or send an encouraging email) to the staff at St. Francis Bartlett. Make an encouraging sign to be hung in the St. Francis Bartlett Covid Hallway to encourage the staff and patients. If you make a sign/picture, please **drop them Wednesday from 2:00-4:00pm outside of the Faith Baptist office entrance. There will be rubbermaid tubs for you to leave them in. You may drop any letters or cards off as well.**

## **Tuesday, April 28th**

### **RECONNECTING WITH VISITORS TO FAITH**

Do you know anyone who has recently visited our church during worship or connection Class? Today, consider writing a letter encouraging them and letting them know how much we enjoyed their visit.

**ONLINE EVANGELISM COACHING/ DISCOVERY BIBLE STUDY-** We'd like to invite you to join us for a brief training time online. Learn how to use Facebook and zoom to share bible stories with your friends or even share the gospel.

*\*\*\*This training will be Tuesday Night - 6-7:30pm*

<http://bit.ly/discoverhopetraining> <- use link for training Tuesday night.

## **Wednesday, April 29th**

### **SERVICE PROJECT**

As you know it can be dangerous for our elderly to get out of their homes during this time. In order to care for them please consider caring for them by helping with a project such as going to the store for them or doing yard work.

Do you know of an elderly Faith member or couple who need someone to go shopping for them? Consider asking a neighbor and/or family member if there are any items they need from the grocery or drug store.

**St. Francis Encouraging Sign/Picture Drop Off- Don't forget to drop off your signs for the Covid Hallways at St. Francis today! Drop offs can be made at Faith from 2:00-4:00 in the rubbermaid tubs provided outside the office entrance. (by the playground)**

## **Thursday, April 30th**

### **SERVING OUR CITY**

**Sidewalk Chalk at St. Francis!** Faith will be writing encouraging words and pictures on the employee sidewalk of St. Francis today from 11:00-1:00. The sidewalk is located behind the hospital by the loading docks. Bring some chalk and drop by to leave encouraging art for the hospital staff! Please remember to stay 6ft apart from others.

### **PRAYER WALKING**

Prayer walking- lace up those tennis shoes again and go out for a walk. Be intentional to pray for those you come in contact with and the homes you pass.

**Friday, May 1st**

**CARING FOR OTHERS**

**Decorate the windows of King's Daughters and Sons Home**

King's Daughters and Sons Home have taken care of several of Faith's members who can no longer attend service throughout the years. Currently, the residents at KDASH cannot have visitors. We want to encourage their residents by placing bright and colorful signs of encouragement for them to see! We invite you and your family to make several encouraging signs and join us today (Friday) at Kings Daughters and Sons Home at 11:00 to hand the signs on the outside of the windows and give a friendly wave and smile to the residents inside.

**Consider spreading the Faith Spirit by treating another family to dinner.** Prayerfully consider providing a meal (homemade or ordered) to a church member and/or person who the Lord places on your heart.

During this COVID19 season it is easier than ever to care for a family. Pick a good restaurant, place an order and have the restaurant deliver the meal to a family you desire to care for.

- Helpful Hints - Identify a family you would like to bless with a meal.
- Make sure there are not food allergies within their family. Also, let them know you'd like to provide their dinner for a certain night and that you will plan to have it delivered to their house.
- Place the order with the restaurant. Make sure you have the address the meal will need to be sent to.
